AUSTRALIAN CUSTOMS DUMPING NOTICE NO. 2009/36

Greyback cartonboard

Exported from the Republic of Korea

Initiation of continuation inquiry

The Chief Executive Officer (CEO) of the Australian Customs and Border Protection Service (Customs and Border Protection) will inquire into whether the continuation of anti-dumping measures in respect of greyback cartonboard, exported from the Republic of Korea (Korea) is justified. The inquiry will commence on 4 November 2009.

The goods subject to anti-dumping measures, in the form of a dumping duty notice and a price undertaking, are coated greyback cartonboard, grey on one side and coated white on the other side (greyback cartonboard are cellulose fibre based paperboards containing recycled fibre; thicknesses range from 320 to 720 microns, which corresponds to a weight range of 250 to 550 grams per square metre).

The current anti-dumping measures were initially imposed by public notice in 2005 following consideration of Trade Measures Report No. 92. The measures are in the form of an undertaking by Daehan Pulp Co., Ltd and interim anti-dumping duties on all other exporters.

The goods are classified under tariff subheading 4810.13.90, statistical code 56, 4810.19.90, statistical code 57, 4810.29.90, statistical codes 64 and 80, and 4810.99.00, statistical code 85 in Schedule 3 to the *Customs Tariff Act 1995*.

The rate of duty for greyback cartonboard from Korea is five percent.

Interested parties are invited to lodge written submissions concerning the continuation of the measures not later than **14 December 2009** with:

Confidential submissions must be clearly marked "in-confidence" and be accompanied by two non-confidential versions suitable for placement on the public record. All non-confidential submissions will be placed on the public record for this inquiry together with a copy of all relevant correspondence between Customs and Border Protection and other persons.

A statement of the essential facts (SEF) on which the CEO proposes to base a recommendation to the Minister for Home Affairs (the Minister) will be placed on the public record by 22 February 2010, or such longer period as the Minister allows under s 269ZHI of the *Customs Act 1901* (the Act). Interested parties are invited to lodge submissions in response to the SEF within 20 days of that statement being placed on the public record. Submissions to the SEF should also be lodged with Customs and Border Protection at the above mail, fax or email addresses.

A report and recommendation to the Minister will be made on or before 8 April 2010 (or such longer period as the Minister allows under s. 269ZHI of the Act).

Unless the Minister, after considering that report, decides to take steps to secure the continuation of the anti-dumping measures, they will expire on 27 July 2010. Therefore, on and from 28 July 2010, the anti-dumping measures would no longer apply.
