The Australian Customs and Border Protection Service (Customs and Border Protection) publishes the Commonwealth of Australia Tariff Concessions Gazette (the Tariff Concessions Gazette) free of charge on the Customs internet site at: <http://www.customs.gov.au>

Interested parties should select “media, publications and forms”, then “tariff concessions gazette”. The gazettes are listed in date order and may be selected from the list of Adobe Portable Document Format (PDF) files.

The Government has announced that it will rationalise the current tariff concession regime as part of the Government’s better regulation and micro-economic reform agenda. A Ministerial Partnership will oversight a review of Schedule 4 to the Customs Tariff Act 1995. This Schedule provides tariff concessions for a range of imported goods under different circumstances. Please refer to ACN 2010/18 for further information.
