REVIEW OF
ANTI-DUMPING
MEASURES

**APPLICATION UNDER SECTION 269ZA
OF THE *CUSTOMS ACT 1901* FOR
REVIEW OF ANTI-DUMPING MEASURES**

I hereby request, in accordance with section 269ZA of the *Customs Act 1901*, that the CEO initiate a review of anti-dumping measures in respect of the goods the subject of this application because:

- (a) one or more of the variable factors relevant to the taking of measures have changed; or
- (b) the Minister could not now take anti-dumping measures against goods currently subject to measures (because the grounds that need to be present for the imposition of measures no longer exist).

If the application is based on paragraph (a), indicate the variable factors that have changed:

- | | |
|---------------------------------------|--|
| <input type="checkbox"/> normal value | <input type="checkbox"/> non-injurious price |
| <input type="checkbox"/> export price | <input type="checkbox"/> subsidy |

If the application is based on paragraph (b), indicate the desired outcome of the review:

- revocation of a dumping duty notice
- revocation of a countervailing duty notice
- release from an undertaking

(Note that s. 269ZDB allows the Minister to decide on one of a range of possible outcomes following a review of anti-dumping measures, not just the desired outcome indicated in the application.)

If the application, under (a) or (b), concerns an undertaking by an exporter or government, show name of organisation or country.

I believe that the information contained in this application:

- provides reasonable grounds for review of the anti-dumping measure; and
- is complete and correct to the best of my knowledge and belief.
