

## **AUSTRALIAN CUSTOMS DUMPING NOTICE NO. 2006/33**

### **PINEAPPLE PREPARED OR PRESERVED IN CONTAINERS EXPORTED FROM THE PEOPLE'S REPUBLIC OF CHINA AND THE PHILIPPINES**

#### **Termination of part of a dumping investigation**

The Chief Executive Officer (CEO) has terminated that part of the above investigation that relates to pineapple prepared or preserved in containers not exceeding one litre (consumer pineapple) exported to Australia from the People's Republic of China (China).

Customs initiated an investigation on 10 April 2006 following an application by Golden Circle Limited. A statement of the essential facts of the investigation was placed on the public file and on the internet at [www.customs.gov.au](http://www.customs.gov.au) on 28 July 2006.

As a result of investigations covering the period 1 January 2005 to 31 December 2005, it was established that the volume of consumer pineapple that have been, or may be, exported to Australia from China that have been or may be, dumped, when expressed as a percentage of the total Australian import volume, is negligible in terms of s. 269TDA(4) of the *Customs Act 1901* (the Act). The investigation has been terminated in accordance with s. 269TDA(3) of the Act.

The investigation that relates to pineapple prepared or preserved in containers exceeding one litre (food service and industrial (FSI) pineapple) exported to Australia from China will continue.

Notice of this decision will be published in *The Australian* on 9 August 2006.

The applicant may request a review of this decision by lodging an application for a review with the Trade Measures Review Officer, in the approved form and manner, within 30 days of publication of this notice.
