### **Tariff concession order revocations - 2 years non-use**

As part of an annual review process, a number of Tariff Concession Orders (TCOs) have been revoked under section 269SD(1A) of the *Customs Act, 1901*. Based on Integrated Cargo System data supplied by importers, Customs is satisfied that the relevant TCOs have not been used in the two years preceding the date on which they were revoked. The revocations took effect on and from Thursday 1 November 2007.

Attachment A to this ACN lists the TCOs that have been revoked.

The *in transit* provisions of section 269SG of the *Customs Act, 1901* apply.

Inquiries about the bulk revocation may be directed to the Manager, Tariff Operations, Australian Customs Service on telephone (02) 6275 5001
